Lives Change Forever by Adopting a Shelter Pet

Thank You so very much for choosing us to be the doggie parents of Bella and Layla. They have already given us so much joy. Thank You for everything you do for the community and the animals. ~ Karen & Phil

Tauntaun loves his new home ~ Brice

Badger is incredibly sweet and cuddly. His daily routine is he runs in, jumps on the bed, gives us both our kisses and then it's time for breakfast. Such a sweet little man!

THANK YOU FOR HELPING US CONTINUE OUR MISSION

DIRECTOR'S MESSAGE

Hello Friends,

Days are quiet in our lobby and office now. Dodger used to greet us everyday with a meow and a "please hold me". He arrived as a three-week-old kitten in 2010 with an auto immune disorder which required lots of medical care. He became our sweet, handsome, lobby kitty so we could closely monitor his health. He was loved, did whatever he pleased, and slept wherever he wanted to sleep. He liked running in our cat hall and peeking into each cat room. Sadly, his disease became untreatable and he passed peacefully this month. We thank the doctors and the veterinary technicians at Waynesburg Animal Hospital who cared for him these many years. He is greatly missed by those who loved him. It's going to be quiet here for a long time.

DODGER

Our adopters are the best and often become our friends. Many share photos with us and stay in touch as the years pass.

Like our cat, Dodger, adopted animals rescued and brought here would have had very different lives if it were not for you who support us and for the wonderful families who adopt them. The long, happy lives that these animals enjoy is a gift given by you. Below are photos of many companions sent from families. **To remember them is to celebrate their love and their lives.**

For all the animals whose fate you have and will change because of your support...like our Dodger...we greatly thank you. Their love makes our lives richer.

JANE & CHEROKEE

Cherokee was one of the largest dogs to ever be with us. His family said he was a Gentle Giant.

Lucy at 16 ½ years old. She was adopted when she was only six months old. Rob called her "Life's a Joke, Lucy" because she was always smiling. She had a great life.

Bombay at almost 18 years old. "Adopted when he was only three months old, he was a dear, loving cat who seemed to know my every mood," says Jane.

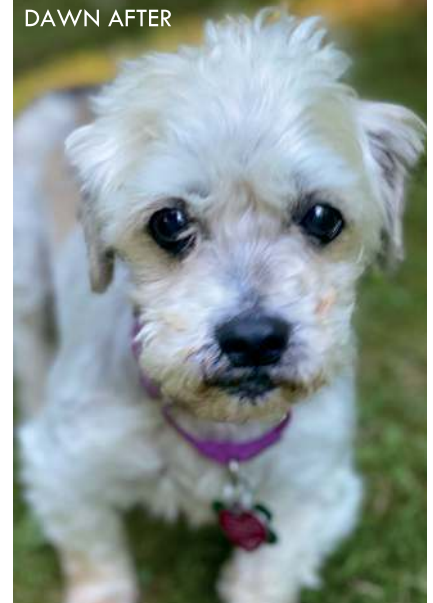

Sandy always opens her home to seniors. When Ginger first came to the shelter, she looked like no one ever cared for her but with Sandy's love and care, she blossomed.

WE DEDICATE RESCUES LIKE THIS TO YOU, OUR SUPPORTERS.

You allowed us to rescue "Dawn" and you enable us to save many animals like her each day. Dawn was found wondering on a country road alone. Her before and after photos speak to her plight and to her rehabilitation.

WEST GREENE STUDENTS ARE A VITAL PART OF OUR HUMANE SOCIETY FAMILY.

These giving students share their talents by volunteering their time and energy to help homeless animals. They are pictured here working their yearly car wash. From us to them... THANK YOU.

West Greene students, Levi Meek and Wyatt Mooney, work on an agility course project to enhance the quality of our dogs' lives while in our care. The Humane Society greatly appreciates the work of the students and is grateful to the three teachers who helped them.

WHERE KIND HEARTS COME TOGETHER

This year kind people were concerned about families who could not afford to buy pet food.

To this end one of our Board members donated \$1000 for dog and cat food for community families' pets who needed a little extra help. We purchased the food and donated it to the Corner Cupboard Food Bank to be distributed to the those most in need.

Recently the South Hills Kennel Club also made a very generous donation to help community pets with food needs.

We are grateful for these kind gestures.

THE BEST WAY TO CELEBRATE!

Julianna stopped by to deliver the animals' gifts from her ninth birthday party. She wanted to give to the animals rather than receive gifts for herself. Animals in need bring out the best in children like Julianna. We thank all those for donations who attended her party and a big THANK YOU to Julianna. The kitten is six-month-old Rocko. He is one of the Director's favorite kittens this week. Confident, playful, loving, handsome. He is waiting for his new loving home.

Callie was rescued by humane officers and brought to us for care. Callie now lives indoors and is loved. Cruelty charges were filed and her past owner was found guilty. Chris says Callie is doing great.

Our 2022 Lottery Calendar is our largest fund raiser this year. **If you would like to save more animals like Callie, help us by buying our 2022 Lottery Calendar.** Calendars make great gifts for animal lovers and go on sell Oct 1.
